NOTIFICATION

Corrigendum

The following communication, received on 27 September 2024, is being circulated at the request of the Delegation of the United Kingdom.

Amendments to Commission Implementing Regulation (EU) 2019/2072

The United Kingdom would like to advise Members of an error in notification G/SPS/N/GBR/67, 'Amendments to Commission Implementing Regulation (EU) 2019/2072'.

This corrigendum amends the error in the original description of content in section 6 which included the incorrectly named GB quarantine pest '*Popillia japonica* **Newton**'.

This should read:

"Introducing new specific import requirements for the GB quarantine pest *Popillia japonica* **Newman**, taking into account the UK pest risk analysis (PRA);"

There has been no change to the notified document which included the correct name.

The final date for comments on this notification remains 9 November 2024.
