<p>6. Description of content: This draft Commission Implementing Decision repeals the postponement of the expiry date of the approval of cis-tricos-9-ene as an active substance for use in biocidal products of product type 19. On 6 April 2023, an application was submitted in accordance with Article 13(1) of the Regulation (EU) No 528/2012 of the European Parliament and of the Council (BPR) for the renewal of the approval of cis-tricos-9-ene for PT19. On 27 November 2025 the Agency adopted its opinion on cis-tricos-9-ene for PT19, having regard to the conclusions of the evaluating competent authority. Given the opinion of the Agency, it is appropriate to renew the approval of cis-tricos-9-ene for PT19. Consequently, a draft Implementing Regulation is being prepared to renew the</p>

<p>approval of cis-tricos-9-ene for PT19 (examination procedure under Regulation (EU) No 182/2011).</p> <p>Further to that Implementing Regulation, it is necessary to repeal the postponement of the expiry date of the approval of cis-tricos-9-ene. The present draft Decision therefore intends to repeal Decision (EU) 2024/1283 postponing the expiry date of the approval of cis-tricos-9-ene for PT19.</p>
